Another uncomfortable question from my children: Why is the production and consumption of pornography a sin against charity?

A) The Church doesn't talk about that in any document.

B) The Church doesn't see any problem with pornography. She treats it as an art.

C) Someone who misuses love by detaching human sexuality from the intimacy of a committed, loving relationship between two spouses and turns it into commercial goods sins seriously. Anyone who produces, buys, or consumes pornographic materials violates human dignity and seduces others to sin.(CCC 2523) Pornography is a degenerate form of prostitution, for hers too there is a suggestion that men get "love" for money. Models and actors, producers and distributors are equally involved in this serious offense against charity and human dignity. Anyone who consumes pornographic materials, visits pornographic websites, or participates in pornographic events finds himself in the wider circle of prostitution and supports the dirty, billion-dollar business of selling sex.

This question came up when we were watching last night's news: ***Why is rape a serious sin?***

A) Someone who rapes another person thoroughly and completely debases that person.

He violently breaks into the deepest intimacy of another and wounds the victim at the core of thier ability to love.

B) The Church doesn't talk about that. This is regulated by the Civil Law.

C) We should not talk about that at the Church.
