“Like a rose created to give its beauty and fragrance, we too are made to give”

Dear friend in Christ.

Thank you for your interest in offering your support for Christ’s mission through Pre-Authorized Debit. (PAD) In the Christian vision, our need to give is greater than the need to receive for that is God’s own nature in whom we’ve been created... “for God *gave* his only begotten Son”. The Dead Sea is ‘dead’ because it receives fresh water but has no outlet to give. This PAD is one way our need to give is met while increasing the stability and expansion of the work of the Catholic Church.

This is the method of giving I have adopted to ensure a consistency of support regardless of my holidays or occasions when I’m away from the parish. You will no longer need envelopes to place in the offering basket at the Sunday Mass, but we’ll have envelope size cards stating you’re giving by PAD to place in the basket if you’d like.

To start your PAD giving simply fill out the form and deliver it or send it to the parish office. Including a ‘void’ check would help. The PAD giving can be altered or cancelled.

If you have any questions don’t hesitate to speak with any member parish leadership team.

Bless you in Christ’s love,

Fr. Dean N Henderson
